

Chase College of Law Alumni in the News

October 2, 2015

**Karen D. Meyers '78 receives Professional Achievement Award from
NKU Chase College of Law Alumni Association**

HIGHLAND HEIGHTS, Ky. – The Chase College of Law Alumni Association presented its Professional Achievement Award to Karen D. Meyers '78 at the annual Chase Alumni Luncheon on October 2, 2015. The event was held at Northern Kentucky University's BB&T Arena.

Ms. Meyers is a member of Little, Meyers & Associates, Ltd., a national consulting firm, and the owner of K.D. Meyers & Associates, PSC, a law firm heavily involved in healthcare, insurance, catastrophic injury settlements, elder law, and patient advocacy. Ms. Meyers tempers her considerable credentials in the insurance, healthcare, and legal fields with a rare ability to speak to the human side of an issue. The late Congressman James Corman of the U.S. House Ways and Means Committee told her that she “will always be *on the side of angels* in her work in the catastrophic injury victim and healthcare fields.”

In addition to her Juris Doctor degree from Chase College of Law, Ms. Meyers holds a master's degree in business and a master's degree in education. She is a Chartered Life Underwriter, Chartered Property Casualty Underwriter, Certified Structured Settlement Consultant, Master Structured Settlement Consultant, and Fellow of the Life Management Institute. She is a founding member and current chair of The Christ Hospital Family Advisory Council, and she serves on the hospital's Ethics Committee. She is also an adjunct assistant visiting professor at Miami University in Oxford, Ohio, teaching its capstone Law and Ethics course.

Ms. Meyers is passionate about healthcare, CMS Quality Initiatives, patient- and family-centered care, and the needs of the catastrophically injured. She is the lead caregiver for her catastrophically injured mother who is part of a national continuity of care study and was one of the “Covergirls” for federal legislation involving long term acute care hospitals. Ms. Meyers teaches several CLE programs each year and makes over 30 presentations annually on health and elder care topics, including several on the Affordable Care Act and settling catastrophic injury cases. She is a member of the Northern Kentucky University Foundation Board, the Chase College of Law Board of Visitors, and the College of Health Professions Advisory Board.
